

Activities Board Mails Booklets To Organizations

Booklets listing Student Activities Board rulings and general information were mailed today by ASB to the presidents and chairmen of campus organizations.

Ray Freeman, chairman of the board, in noting that the rules are enforced by the Student Court, stated, "I would like to stress how important it is for officers of each organization to become familiar with the rules and general information provided in this booklet."

He continued, "It is equally important that the present officers pass on this booklet to their successors. I think failure to hand on information of this type is one of the most common administrative mistakes made by our student leaders."

Students with any questions or problems about student activities are urged to see Freeman during his office hours. He can be found in the ASB office in the Student Union from 1:30 to 2:30 p.m. on Wednesdays and from 9:30 to 10:20 a.m. on Fridays.

Meetings for SAB for spring semester have been scheduled for Tuesdays at 1:30 p.m. in the ASB office.

At the first meeting held yesterday, the board turned down a request from Time, Inc., for a limited reduced rate subscription campaign on campus. The reason for this action, according to Freeman, was that the board felt approval would lead to commercial advertisers swamping the college with similar requests.

Information regarding protective dates will be sent to campus organizations within a few weeks.

Sans Society Page

In accordance with Panhandle rushing regulations regarding publicity, the *Spartan Daily* will not publish a society page this week. The first society page of the semester will appear next Wednesday.

Publicity representatives should turn in news of their organizations by 9:30 a.m. next Wednesday.

Peterson Reveals Lyke Staff Chosen

Announcement of the staff of the Easter issue of *Lyke* magazine was made today by Betty Lou Peterson, editor-in-chief of the campus humor and feature publication.

Heading the administrative posts will be Carol Bisbee, production manager; Stella Ottaviano, advertising manager and Jack Diggins, public relations director.

Members of the production staff are Robert Walker, art editor; Carol Lucas, copy editor; Janice Poindexter, fashion editor and James Cassidy, photo editor.

The *Lyke* staff is composed of more than 30 members in the art, editorial and advertising depts.

UNITED PRESS ROUNDUP

Medics Offer No Reason To Prevent Ike's Running

WASHINGTON—(UP)—President Eisenhower's physicians said yesterday there was no medical reason why the President could not continue his active life in the White House for another term.

Dr. Paul Dudley White, the Boston heart specialist, said that as far as his medical conclusions were involved "The President should be able to carry on an active life satisfactorily for another five to ten years, but the choice is his, not ours."

The doctors gave Mr. Eisenhower their favorable report on the basis, according to White, of how he had withstood his workload during the last five weeks.

USSR ARMS PRODUCTION

MOSCOW—(UP)—Communist Party Chief Nikita S. Khrushchev declared in a major policy speech yesterday that the Soviet Union will keep pace with the capitalist powers in arms production.

The USSR will not permit itself to be outdistanced by arms production of the capitalist powers, Khrushchev told the opening session of the 20th Communist Party Congress. The Congress is the first since Josef Stalin's death in 1953.

No. 78

Council Considers Lyke Budget, Election Apathy

The first spring semester meeting of the Student Council is this afternoon at 2:30 in the Student Union, Don Hubbard, ASB president stated today.

Topping the agenda will be a request from *Lyke* magazine to have its operating capital loan increased to \$750. At present the humor magazine is operating on a loan of \$180.

The new figure would allow *Lyke* to pay printing bills when the job is delivered instead of waiting for advertising collections.

Hubbard indicated the possibility of the council formulating a committee to study the problem of poor student participation in campus elections.

He feels that student interest in elections and student body elective positions needs to be increased and

this committee may find ways to bring this about.

The council also is expected to draw up a standardized set of questions to be put to all future student body office seekers. This would aid in evaluating prospective candidates and at the same time formalize the procedure of such interviews.

Among the other orders of business will be a decision on the budget submitted by the Revelries Board.

Selective Service Application Due Monday, March 5

March 5 is the last day for students to submit applications to take the Selective Service College Qualification Test, scheduled for April 19, according to Dr. Harrison Heath, chief testing officer.

Application blanks may be obtained at any selective service board office, advised Dr. Heath.

A student must intend to request deferment as a student, be satisfactorily pursuing a full-time course of instruction and must not have previously taken the test to be eligible to apply for the current test.

The purpose of the testing program is to guide the local selective service boards so they may consider student deferments for military registrants.

San Jose State is one of the 875 testing centers throughout the United States, Alaska, the Canal Zone, Hawaii and Puerto Rico where these examinations are given.

Tryouts Scheduled for Final Student Dramatic Production 'Man of Ashes'

Tryouts will be held for Andre Obey's "Man of Ashes" Monday, Feb. 20, at 7:30 p.m. and Tuesday, Feb. 21, at 3:45 p.m. in SD 116, according to Dr. James Clancy, professor of drama.

This play will be the last major student production of the semester and will be presented May 25, 26, 31 and June 1 and 2.

There are 14 men's parts, 12 women's parts and one girl's part available in this production. All students are invited to try out.

Scripts are on reserve in the Reserve Book Room.

Students wishing to try out, but unable to attend the auditions may contact Dr. Clancy in SD 106.

No Rally Meeting

The Rally Executive Committee and the Rally Committee will not meet today, according to Jim Cotterell, chairman.

Sophomore Office Unfilled as Filing Of Petitions Ends

One petition for Sophomore Class president was on file in the Student Union with ASB receptionist Helvi Aho by 2 p.m. yesterday, leaving one sophomore position unfilled.

Two girls have filed for Sophomore representative. However this leaves a vacancy as one representative is supposed to be male, according to Miss Aho. Two petitions are on file for vice-president, and one each for secretary and treasurer.

Miss Aho stated there had been some mention by Bob Becker, Student Court chief justice, that yesterday's petition deadline might be extended. However, Becker couldn't be reached for comment.

Kinney on Campus

J. E. Kinney, Cal Vet representative, will be on campus Monday, Feb. 20, from 10 a.m. to 12 noon in the Accounting Office to interview students who desire information relative to State educational assistance.

Players Can Sign For Bridge Meet

There is still time to sign up for the Intercollegiate Bridge Tournament being sponsored by the Social Affairs Committee, Donna Scherer, director, announced yesterday.

A sign-up sheet is located at the entrance to the Student Union, and anyone wishing to enter the contest should sign his name right away, as the number of entrants will be limited. Miss Scherer also explained that entrants must sign up in pairs.

Prizes for the contest, to be held next Tuesday evening, include a all-expense-paid trip to Chicago, which is guaranteed to be worthwhile and very entertaining.

Other prizes will include trophy cups for the colleges winning the national titles, one cup for

Tomorrow Final Day for Buying Vaccination Cards

Tomorrow is the last day that students may purchase immunization cards in the Student Affairs Business Office. One dollar entitles the student to one or all of the series of shots.

The immunization program is sponsored by the Health and Hygiene Department. Miss Margaret M. Twombly, director of student health, urges every student to be immunized before accidents, earthquakes or floods make it necessary, thus insuring a better chance for survival.

Immunizations will be given on the dates indicated below from 9 to 11:30 a.m., and from 2 to 4:40 p.m. in the Health Office, Room 31. No refunds can be made for those failing to appear for immunization. Those who wish the "booster dose" are asked to come for it at the first time that particular immunization is given.

Immunizations will be offered as follows: Smallpox—Tuesday, Feb. 21; Diphtheria and Tetanus—Thursday, Feb. 23, Thursday, March 22 and Thursday, April 26; Typhoid-paratyphoid—Friday May 4, Friday, May 11 and Friday May 18.

ASB Elections

Petition Deadline Moved to Feb. 17

Student Court extended the deadline for filing petitions for student body offices at their meeting yesterday afternoon in the Student Union. The new deadline is this Friday at 3 p.m. at which time all petitions must be filed at the ASB office in the

John Arreola Jr., ASB Court Justice Gives Resignation

John Arreola Jr., senior justice of student court, resigned that position today on account of the pressures of "outside employment and studies."

Arreola, who had served in this capacity since his election last

JOHN ARREOLA
... Justice Resigns

spring, expressed regret at having to leave the court. He said that the experience would be fine for any student and that it helped him to build "qualities of leadership."

During his time with the court Arreola had served in the capacity of Legislator, a position dealing with studying and making recommendations for legislation contemplated by the student government.

Arreola's time also was taken up with the supervision of election proceedings and explanation of rules and election procedure to prospective candidates.

The vacancy created by the resignation will make it necessary for the student council to take applications for the post, evaluate the candidates and then select a new senior justice. The person selected will fill out the unexpired portion of Arreola's term, running to the end of this semester.

Applicants for this position should be aware that requirements are the same as for any other student body office: clear standing; 2.0 grade average for the past semester and 2.0 overall average.

Faculty Council

Faculty Council will meet at 3:30 p.m. tomorrow in Room 120 of the Speech and Drama Building.

Dr. Crain Acting Art Department Head, Other Faculty Changes Announced

The following changes in the status of faculty members have been announced by President John T. Wahlquist.

Returning from leaves of absence are Dr. William H. Vatcher, assistant professor of political science; Miss Gladys Baird, assistant professor of home economics; and Lloyd C. (Bud) Winter, associate professor of physical education.

Dr. Heber A. Setzin, chairman of the Applied Arts Division; Wendall N. Gates, associate professor of art; Dr. Olive K. Gilliam, professor of history; and Dr. Elton S. Stinson, professor of chemistry are on sabbatical leaves during the spring semester.

Returning to the campus from

fall semester sabbatical leaves are Dr. Wayne Kartchner, professor of geology; Gordon D. Van Arsdale, associate professor of industrial arts; W. Gibson Walters, associate professor of music; and Dr. Milburn D. Wright, professor of business.

Dr. Harold C. Crain, chairman of the Fine Arts Division, has been named acting head of the Art Department, in the absence of Dr. Marques E. Reitzel, who is ill.

Dr. James E. Stevenson is acting chairman of the Applied Arts Division and acting head of the Industrial Arts Department during the sabbatical leave of Dr. Setzin.

Teacher Tests Underway Today

Teacher selection tests consisting of arithmetic fundamentals and interest tests, are being administered in Morris Dailey Auditorium today and tomorrow afternoons from 3:30 to 5:30 o'clock.

Teacher-training candidates, for whom the tests are required, should make an appointment in Room 19 immediately, according to Barbara Mason, testing secretary.

Summer Speech Signups Open

The Speech and Drama Department will schedule a section of Speech 2B, public speaking, during summer session if enough people are interested in enrolling in the class. Dr. H. C. Crain, head of the department announced yesterday.

Students who want to take this class during summer session must sign up this week in the Speech and Drama Office, Room 100.

Student Union.

Bob Becker, chief justice of student court announced the new deadline when it became evident that most candidates were running unopposed.

Only one candidate has filed a petition for each of the following offices: vice-president and representative of the Freshman class; secretary and treasurer for the Sophomore class; president, vice-president, treasurer, secretary and representative for the Junior class. No one has filed for the office of female justice of the student court.

The court also announced that petitioners may pick up their petitions Feb. 20 and must return them by Feb. 23, after obtaining the necessary signatures. Campaigning will be held March 3 through election days, March 8 and 9.

Other business taken up by the court included a charge brought against the Ski Club for illegal advertising. The club was charged with placing illegal advertising in front of the Coop without proper approval. They pleaded guilty to the charge.

Extenuating circumstances, including dire need of a meeting of ski club members and no possibility of contacting them, caused the court to reduce the original \$10 fine to \$5. The club was also placed on probation for a period of one semester.

Final business taken up was a letter of resignation submitted by John Arreola Jr., Senior Justice. He said outside work and heavy study load forced him to resign. The student council must appoint someone to fill this office for the remainder of the semester.

Deadline for Ski Trip Ends Today

Persons wishing to take the ski trip to Pinecrest Chalet this weekend with the Ski Club have until 5 p.m. today to sign up in the Student Affairs Business Office, Room 16.

Total cost of the trip will be \$11 which includes weekend lodging, meals and transportation. The bus will leave the Student Union at 6 p.m. Friday.

Any students wishing information should contact Jerry Price, president of the club, after 2 p.m. today at CYpress 5-2939.

AWS Meets Today

Women's Week will be discussed at today's AWS meeting, to be held in Room 117 at 4:30 p.m. Paul Thomsen will entertain.

Extension Service Offers Two Courses

Two new certificate programs, one in production management and one in supervision for foremen and supervisors, are being offered by the San Jose State College extension services. Evening classes meet weekly from 7 to 10 o'clock in the Peter Burnett Junior High School, 850 N. 2nd St. Persons may enroll in one of the programs for college credit or on an audit basis.

The purpose of the program in production management is to provide instruction in basic subject matter concerned with the improvement of industrial operating methods.

Upon satisfactory completion of the course of study in each program, appropriate certificates will be awarded by the college extension services.

High School Students Attend Conference

Three hundred fifty high school students representing high schools from San Francisco to Watsonville will attend a "Careers in Education Day" conference here Saturday.

The students will be guests of the college chapter of the California Student Teachers Assn. and the Teacher Education Professional Standards Committee of the Bay Section of the California Teachers Assn.

Scott Mize, president of the San Jose State College chapter of CSTA will preside over the opening session in Morris Dailey Auditorium at 10 a.m. Speakers will be Dean Fred Harclerod, who will extend greetings and Bruce Handley, chairman of the Teacher Education Professional Standards Committee and a teacher

himself at Acalanes High School, Lafayette.

Following the speakers there will be a panel discussion on the personal inventory of a teacher. On conclusion of the panel the morning session will close.

A luncheon, including entertainment, will be held in the Women's Gymnasium from 12:05 p.m. until 1:30 p.m.

After the luncheon special interest discussion groups will meet.

Following the special interest discussion groups the assembly will meet in Morris Dailey Auditorium where they will hear a talk by Dr. Dan T. Dawson, newly appointed executive secretary of the California Elementary School Administrators Assn.

CHARLIE WALKER
... Swimming Mentor

Spartans Are Don's 45th Straight Victim

University of San Francisco crushed San Jose State, 76-52, last night to win its 45th consecutive basketball game before a capacity crowd at the Civic Auditorium.

The Spartans were never in the contest as the nation's number one college basketball team built up a 30-9 lead in the first 15 minutes and coasted in.

Don coach Phil Woolpert showed mercy on the helpless Spartans by substituting everybody but the cheerleaders in an effort to hold the score down. All-American Bill Russell dropped 21 points through the hoop and grabbed 17 rebounds, although playing but 21 minutes.

San Jose State retained second place in California Basketball Association standings despite the loss as third-place St. Mary's was nipped by COP, 73-72. The Spartans now have a 7-3 CBA record compared to 6-3 for St. Mary's. USF leads the pack with 8-0.

As was the case the first time the squads met, the Spartans froze up at the sight of Russell and Co. The locals couldn't do a thing against the vaunted Don defense, and alert Don guards K. C. Jones and Hal Perry's pressing tactics forced the Spartans to commit mistakes.

Walt McPherson's cagers also were cold from the floor, hitting on only 13 of 49 shots for a miserable 26 percent average, while the Dons made good on 28 of 76 shots for a 37 percent average. USF collected 65 rebounds to 36 for San Jose.

DON DEFENSE TOUGH

USF just had too much defense for the Spartans. The Dons held the Spartans to nine points in the first 15 minutes. It wasn't until Woolpert pulled his regulars with five minutes left in the half before the Spartans were able to close the gap to 14 points, 28-24, at halftime.

The Dons continued to pore it on in the second half. USF dunked 27 points in nine minutes on hot shooting by Carl Boldt and Russell before the pair left the game with the score 65-32.

The Spartans were unable to score a field goal for the first eight minutes of the second half. Only Spartan scoring during this time were six free throws, one by John Erec and five by Eddie Diaz.

Russell led the game's point makers with 21, while Boldt added 16. Diaz and Marv Branstrom, who hit three nice field goals in the second half, sparked the Spartans with nine.

In the preliminary contest powerful East Contra Costa Junior College dumped the Spartan Frosh, 70-63. The Spartababes gave the Vikings plenty of trouble until they hit a cold streak midway in the second half. Art Powell led the Frosh with 15 points.

Spartan Swimmers Get Test Against Stanford

San Jose State's swimming team will get its first real test when the Spartans meet powerful Stanford here Friday at 4 p.m. The Spartans defeated Treasure Island, 51-33 in their first outing.

Defending Pacific Coast Conference champion and perennially the west coast power in swimming, the Indians will be heavily favored to drown the Spartans.

Coach Charlie Walker reported the Spartans will have a fairly well balanced team for dual meets but will lack depth needed for the big meets such as the State College, Cal Aggie Relays and Far Western AAU.

"I thought we would have the best team in the history of the school this year, but several star performers didn't return to school while others transferred," commented Walker on the prospects of the 1956 squad.

A list of top performers who left the college will tell why Walker is singing the blues. The Spartans lost Dick Earthman, state college 100 and 200 backstroke champion, who transferred to Long Beach State; Ron Lundquist, veteran swimmer, transferred to San Francisco State; and Art Lambert, state college 220 yard freestyle champ and fastest freestyler on the club, who was disqualified from school last week.

Also, Bill Robertson, ace frosh freestyler didn't return to school and Carl Yates, state college 400 and 1500 meter, swim champion and the holder of three school records, was forced to drop out of school because he didn't have enough money to support his family. Yates' loss hurt most of all.

However, the Spartan club boasts several outstanding returning men plus a couple of excellent new faces. Heading the list of returnees is senior Dick Threlfall, defending state college 50 yard freestyle champ. Threlfall showed top early season form in the Spartans opening dual meet against Treasure Island.

He gave the Navy's ace Don

Hill a battle in both sprints. Threlfall's best time for the 50 yard race is 24.7, his winning time in last year's state college meet.

Rollo Koivisto, backstroke and freestyle ace, saw plenty of action last year. Koivisto swam freestyle in both relays against

Spartan Wrestlers Vie With Cal Poly

San Jose State's wrestling team will meet Cal Poly of San Luis Obispo tonight at 8 o'clock in the Spartan Gym in the grapplers' first home match of the season.

Coach Hugh Mumby's squad, holding a win over University of California and losses to three northwest schools, expects a close battle from the Mustangs. However, Cal Poly is not rated a strong as it has been in past seasons. Last year the San Luis Obispo club and the Spartans tied, 20-20, in a dual match.

Probable starters for SJS tonight will be Joe Isasi in the 123 pound class; Robert Fukunaga or Kiyoshi Oshiba in the 130 pound division; George Uchida in the 137 pound bracket; Lynn Brooks in the 147 pound class; Dick Weger in 157 pound bout; Ken Spagnola in 167 pound match; Jerry Ledin in the 177 pound division and Russ Camilleri in the heavyweight bracket.

the Navy, but Walker reports his event will be determined by the opposition.

Jay Cross, captain and number one breaststroker, turned in a good initial performance against the Navy with his 2:39.3 time for the 200-yard race.

The Spartans best event appears to be the backstroke where veteran Stan McConnell and former freshmen ace Larry Wood seem to be about evenly matched. McConnell edged Wood last week in the fast time of 2:26.3.

Big weak spot on the swim team appears to be the distance races where Yates' loss was a hard blow. Walker hopes Roger McCandless, former Air Force and Fullerton J.C. ace will be a big help. McCandless proved himself to be a freestyle threat by nearly defeating Threlfall in the 50 yard sprint race against Treasure Island.

Two other new men counted upon by Walker are Dick Henning freestyler from Taft J.C., and Brent Reisinger, backstroker from Stockton J.C. Both showed promise in the season opener. Walker singled out three frosh prospects for mention. First is Bob Haywood, who was the Peninsula Athletic League and North Coast Section diving champ from Palo Alto. Other top candidates are Ron Paradiso, top all around swimmer from Oakland, and Ron Tuttle, medley and backstroke ace from Palo Alto.

Cancellation Threatens Death Valley Field Trip

Possible cancellation threatens the West Coast Nature School's trip to Death Valley this year due to poor registration, according to Dr. Gertrude Cavins, head of science education.

As the deadline nears, which tentatively has been set for Feb. 23, fewer students than ever before have signed up for the trip. Dr. Cavins reported. The trip is scheduled during Easter vacation, March 24-31.

"We of the nature school are puzzled by the lack of interest shown in this year's trip. Usually we have more students signed up than we can handle," Dr. Cavins said.

Students interested in going on the field trip, and collecting one semester unit of college credit in science, can sign up in Room 100 of the Science Building any day throughout the school week. There is a \$15 fee.

"The nature school is one of the most unique methods of instruction in the country. Everything is done out-of-doors and observed at first hand," Dr. Cavins said.

Besides camping out and doing their own cooking, students will be instructed in such courses as plant life, zoology, mining, physiognomy and geology.

Dr. Carl Duncan will lecture on insect life and Dr. Matthew Vessel will have all the classes on vertebrates. Dr. Carl Sharnsmith has been assigned to cover the course in plants, and Dr. Cavins, who is adviser to the school, will lecture on chemical resources and borax deposits.

Dr. G. A. McCallum and Richard Hartesveldt will be in charge of the repeater group—this a group composed of those who have made the Death Valley trip before.

Byron Bollinger has been appointed camp director.

Beeson to Attend Eta Mu Pi Dinner

A. C. Beeson, director of Macy's Valley Fair, will be guest speaker of the Eta Mu Pi, merchandising fraternity, dinner-meeting to be held tonight at the Red Coach Inn on the San Jose-Los Gatos Highway starting at 6:30 p.m.

The director of the new super shopping center coming to the Santa Clara Valley was named to the National Labor Relations Board by President Dwight D. Eisenhower last year. He is not on the board at present.

The dinner will cost \$1.75. All business majors and business instructors are invited to attend.

Faculty Members Attend Conference

Mrs. Ardith Frost, Dr. Mary Wiley and Buford Bush, members of the recreation department staff, are attending the eighth annual California Recreation Conference this week in San Diego.

Dr. Wiley, recreation curriculum supervisor, will serve as chairman of the session of field experience in the recreation curriculum. Bush, lecturer in recreation, will speak at the Armed Forces recreation session on the use of civilian instructors on military posts. He also will serve in the church recreation workshop as a leader of high school youth activities.

In addition to the staff members, 15 recreation majors are attending the conference.

Drama Department Announces Players In 'Merchant' Cast

Tryouts for the forthcoming College Theater production, "The Merchant of Venice," resulted in tentative casting this week.

Unless changed before the production gets underway, Horace Vandergelder will be played by Fred Engelberg; Cornelius Hackl by Wayne Ward; Barnaby Tucker, Donald West; Melchior Stack, Craig Thush; Ambrose Kemper, Frank Davidson; Joe Scanlon, Joseph Markham; Rudolph, Robert Gordon; August, Conrad Mendenhall; A. Cabman, Robert McNamara; Mrs. Levi, Judith Dresch; Miss Van Housen, Patricia Branch; Minnie Fay, Elinor Galarza; Ermengarde, Patricia Murray; Gertrude, Nancy Stephens; Miss Van Housen's cook, Barbara Hartman; People in the Harmonia Gardens, Marjorie Dupuy and Dick Thomas.

The play is scheduled to run March 9, 10, 15, 16 and 17.

Accompanists Needed

Accompanists are needed in the women's physical education department, according to Mrs. Lenore Ludemann, secretary in the department.

The various modern dance and elementary school physical education classes have openings for accompanists. The classes run through the day from 8:30 a.m. to 3:30 p.m. and hours may be arranged.

S. J. City Manager Addresses Senior Business Students

The most important problem in city government lies in getting enough industry and business to pay for both growth and city maintenance.

This was the principle theme of a speech delivered by A. P. "Dutch" Hamann, San Jose City Manager, to the senior business lecture class yesterday afternoon at 12:30 o'clock.

San Jose can easily allow for a 50 million dollar improvement fund in the next 10 years, thereby maintaining an adequate building program to facilitate rapid expansion of the city, according to Hamann.

The speech was the first in a series of 15 lectures to be given to the weekly Tuesday class.

Vogue Magazine Model Competition Open To Coeds

Co-eds of San Jose State are among those eligible in the search for a new fashion model by the editors and art directors of Vogue magazine.

Requirements for the new model are "individuality, freshness, variety, and elegance—and the luck to be photogenic."

The girl measuring up to these standards will perform model assignments for Vogue and will receive \$100 weekly for the three months that she is in New York.

Any woman over 18 years old who has not modelled professionally in any national magazine is eligible. An entry blank and other information is found in the Feb. 1 issue of Vogue.

ISO Slates Sunday Reception, Dinner

The International Students Organization will hold a reception Sunday at the home of Floyd Greenleaf, adviser of ISO, from 2-6 p.m., according to Dorothy Hutchings, publicity chairman.

Following the reception, a barbeque dinner will be served for the price of \$1. All ISO students and guests are asked to purchase their tickets in advance from any ISO officer or from Greenleaf.

Engineering Week Exhibits Nearing Completion by SJS Flying Groups

Alpha Eta Rho, the Aeronautical Department, and the Flying "20" club are completing their exhibits for Engineering Week, Feb. 19-25, according to George Buzini, chairman of the project.

The displays will be at the San Jose Municipal Airport and will include a scale model cross section of typical runway construction and fabric covering used for aircraft.

Alpha Eta Rho's exhibit is a scale model of the proposed San Jose Municipal Airport and The Flying "20" club will display the trophies won by members of the club and pictures of their aircraft. The Alpha Eta Rho exhibit will be in the main lobby of the terminal building, and will be open to the public until 10 o'clock every night.
